## The Small Town that Celebrates in a BIG way!!

Hanover celebrates the 4<sup>th</sup> of July in a big way each year. The main event is the parade that runs through downtown and starts at 11am. Once you are finished watching the parade, wander your way down to the HHAHS. There will be happenings all day in the Park and the Museum will be open after the parade.

The kitchen will be open and the Event Center is air conditioned, giant bonus during those hot July days. Inside the event center there will be board games and card games to play while you enjoy the AC. Tractor pulls will begin around 1:00pm. You can spend the afternoon with us at the HHAHS before heading back downtown Hanover to watch the fireworks at dusk.

Be sure to watch for our float in the parade highlighting the renovations to the organ room.

If you can't make it to the grand re-opening of the Organ Room on June 25th, stop in during the 4th of July!
